Hamtaro: And you know how she means it!

>
Pashmina: Well...

>
Hamtaro: Wait just a second.

>
Sandy and Pashmina: What???

>
Hamtaro: At my Bachelor party last night. The single guys all taped a video on how much they wanted you. To persuade you to love them.

>
Pashmina: OK! I like that Idea.

>
Sandy: The card says, Dexter is first.

>
Sandy: So panda, like, come on out!

>
Hamtaro: Now Pashmina, why do you like Panda.

>
Pashmina: Well, I like the sweet and silent types. I don't even know that Panda is there half the time. And he is a sweet heart.

>
Panda: I love you!

>
Pashmina: Me too.

>
Hamtaro: Well, I like myself too, but I am modest!

>
Sandy: Like, HAHAHA.

>
(Everyone in the audience fakes a laugh)

>
Sandy: Then let's go on to our next question! Why are teachers so old and fat? sent in by Mai Fraser

>
Hamtaro: And we have a special guest to answer that, who happened to play the role of a teacher in Much Ado About School...Here's MAXWELL!

>
Sandy: YAY!

>
Maxwell: *Kisses Sandy*

>
Audience: AWWW

>
Sandy and Maxwell blush

>
Hamtaro: Well, why are they so obese and elderly?

>
Maxwell: On the contrary, All teachers aren't old and fat. 10% have two years till they get old and fat. It is just a stereo-type.

>
Sandy: And, like what a wonderful one it is!

>
Hamtaro: Yes, and our next question is sent in by the same person, Mai Fraser. Does Bijou feel attracted to Hamtaro? How does Hamtaro reflect on this?

>
Hamtaro: As I mentioned before, I had a bachelor party last night and my wife to be is none other then Bijou. We want to have children, but sadly, I have been neutered.

>
Sandy: And she, just as all female pets, Has been spayed.

>
Hamtaro: DAMN YOU BOB BARKER!

>
Sandy: I thought his name was Parker.

>
Hamtaro: I like Barker better, even if it isn't his real name.

>
Maxwell: Many of the books at our bookstore say that pet's should be neutered. We should form a group.

>
Panda: Ham Hams Against Bob Barker And Authors!

>
Sandy: Totally.

>
Pashmina: I love HHABBA (pronounced ha as in hair and ba as what a sheep says)

>
All: YAY!!!

>
Hamtaro: Our next Question comes from Tsunami-chan. Discuss the love triangle between Howdy Dexter and Pashmina.

>
Pashmina: There isn't any that I know of. I don't have any feelings other than friendship for Howdy or Dexter!

>
Sandy: And our next topic is Melody.

>
Hamtaro: Bionic doesn't hate Melody, but thinks that what she does is wrong.

>
Sandy: Flaming is totally stupid and is not right to do to anyone! So this is where the public can say something to her. To give her a taste of her own medicine.

>
Hamtaro: When she changes. This part of the fic will come down!

>
Sandy: Here our first and only (so-far) talker sweetmac05...

>
sweetmac05: melody, i know we r friends and all, but give a rest. almost all of us are sick of your pathetic attempts at writing fanfics. b&b will never happen. h+b is what all the sane peoples want. :P. like i said before, give it a rest. look at all the pics, fanfics, and episodes there are of hamtaro and bijou, and look at that 1 episode, those very few fanfics, and all those B+B pics YOU made.that are b+B. boss stinks! you lose the war, get over it! look at all these I HATE MELODY fanfics there are. not many fans u have. and 1 last time, GIVE IT A REST!

>
Hamtaro: I don't think she meant to offend any B+B people out there.

>
Sandy: Thats the end of todays episode, so like, keep the topics coming!

>
Bionic: OK, well I think Melody has a film

>ASIANBIONIC: Oh, well I think Keela has a fitting problem and I didn't mean to be so harsh in the last episode.
>Please try and change! I thought of the idea for Pandmina because it hopefully gives Panda more recognition. This is also Sandwell and Hamjou so don't read the rest if you don't like those couples (you can if you don't flame!) I made those names up, I am the first to use them! YAY!!! Keep the Ideas comin' <div>
